## GENERAL INFORMATION

### **ADVANCE FREIGHT**

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

### **PRICES**

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your OPERATING GUIDE.

### **CONTENTS OF ORGANIZATION**

CNH Industrial N.V. issues price lists and revisions covering each Case IH contract. The U.S. Price List is published in U.S. funds and the Canadian Price List is published in Canadian funds. Ensure that you are using the correct price list. U.S. or Canada is referenced at the top of each page and the Canadian price lists have a Maple Leaf on the price list cover page.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, and Provincial taxes will be added to the machinery invoice as separate net charges.

### **PROCEDURE**

The price pages for each machine (or group of machines) lists both "Factory Supplied Options" and "Factory Supplied Accessories."

Each price list is comprised of the various machines sold under that contract. Each price book section has "Factory Supplied Options" and "Factory Supplied Accessories" price pages. When ordering and pricing a machine, follow the ordering instructions listed for that machine. Accessories listed following the "Factory Supplied Accessories" heading are available for installation in the field.

### **DISTRIBUTION OF PRICE LISTS**

Price lists and periodic price list revisions will be posted on the Dealer Portal and distributed electronically when possible.

Printed copies of current price lists, index tabs and binders can be purchased from the Document Management Center (DMC). Orders should be placed only through the DMC web site link located on the Dealer Portal. For DMC customer service inquiries, other than placing orders, call (262) 636-7540.

Internal E-mail: #NA DMC ORDER CENTER

Complete U.S. Price List is PL-100

Complete Canadian Price List is PLC-100

Periodic price list revisions are usually accompanied by a cover sheet which carries instructions on price page changes and where to insert replacement or new price pages. The revisions are dated and are effective as of that date.
